PROFILE

Daniel L. Van Epps, Ed.D.
CSTVCIC Executive Director

Daniel Lee Van Epps, 52, of Dover, is a 2013 graduate of West Virginia University having obtained a Doctorate of Education in Technology Education with an emphasis of systems analysis. His 774-page dissertation was entitled "Emulation of Equal Open Access and Competition Creation in the Wireline Telecommunications Local and Last Mile Market Segments". He also completed a graduate assistantship at WVU's National Alternative Fuels Training Consortium, collaborating with industry experts to design curriculum and providing technology support.

Dr. Van Epps was born in Detroit, MI, graduated from Dover High School (OH) in 1984, completed B.A. and M.A. degrees in Telecommunications/Information Systems and Technology from Michigan State University, a certificate in Fiber Optics Technology from Lansing (MI) Community College, a Master's Certificate in Intelligent Transportation Systems from the University of Michigan, CDPs in Renewable Energy from Ohio State University-Wooster, and a railroad business class at Carnegie Mellon University is pending.

He is currently executive director of the Conotton-Sandy-Tuscarawas Valley Community Improvement Corporation (<http://www.cstvcic.org>) located in the Mineral City, OH area, and is also executive director of the Stillwater Valley Community Improvement Corporation (<http://www.svcic.net>) located in the Dennison-Uhrichsville, OH area.
